TEAM FOSSEY IN SECOND OVERALL IN WELSH ESCORT 2WD CHALLENGE

Theresa and Stuart Fossey are coming to the gripping finale of the Welsh Escort 2WD Challenge and are in with a chance of lifting the title. The husband and wife team are in second position in the series with two rounds to go. The next event will be held at Brawdy, and the final round is at Pembrey. The only problem for team Fossey is that they will be doing the recce for Jersey when Pembrey is on so they will miss out.

But you'll be sure that the LIMC pair will be trying really hard on Brawdy as they aim to end their championship on a high note.

The pairs results this season has already have seen them register two class wins, two one

Normally found in the co-drivers seat Theresa Fossey has also had a stint behind the wheel this year.

Theresa competed in two events and was sixth in class on Longcross in may and and 13th in class on the Colerne event that was held in august past.

LIMC wish all its members the best of luck over the next couple of months.
